WEATHER RELATED SCHOOL CLOSURES - If the National Weather Service issues an extreme cold warning or cold temperature warning, buildings will be closed, and in-person school-related events will be cancelled. If the National Weather Service issues other weather advisories or warnings, school officials will make the determination as to whether or not road conditions pose a substantial risk for travel. Decisions for closing buildings will generally happen prior to 6:00 a.m. the day of school. Early releases will be decided no later than 10:15 a.m. and parent notification will occur shortly after the decision has been made.

Please remember that we are dealing with natural forces that are not always predictable. We will take every precaution to make the best decision we can with the information that is available to us. At times this may include keeping students at school instead of issuing an early release for the purpose of allowing road crews time to clear roads. Any revisions of this calendar requires Board approval prior to implementations.

Good Friday is March 26 and Easter is March 28, 2027
MHS Graduation is May 28, 2027
