COMMITTED TO EXCELLENCE

26|27 ACADEMIC CALENDAR

180
REGULAR
SCHOOL DAYS

Pirate Stakeholders:

This year's academic calendar continues to support the Pass Christian School District's focus on meeting the unique needs of our students and community. It includes two micro-intersessions that allow learners additional time to explore their interests, deepen their passions, or receive targeted support to address learning gaps. Both students and staff benefit from intentional opportunities to support mental wellness through purposeful breaks built into the year. The calendar reflects a thoughtful balance between traditional and non-traditional structures, providing a 9-week summer intersession and a full 180 days of instruction. Once again, we are pleased to offer a calendar designed for innovation, guided by student needs, and aligned with our commitment to excellence. We extend our sincere appreciation to the calendar committee and faculty/staff for their thoughtful and robust input in shaping this year's design.
