Education law provides for a minimum of 180 student school days. This calendar allows for four (4) snow days. In the event additional snow days are needed, it may be necessary to conduct school on Friday, April 2nd, Thursday, April 1st, Wednesday, March 31st, Tuesday, March 30th and Monday, March 29th. (Days will be added in that order.) However, without compromising the safety of students or staff, we will make every effort to maintain the full week for spring recess. If no snow days are used, a day or days off will be added to the calendar.
