The district has 181 instructional days and 3 additional emergency closing days, resulting in a total of 184 days, which exceeds the NJ minimum requirement of 180 days. If the additional 3 emergency days are not needed, schools **may** close on May 28, June 1 and June 2, in that order, with action by the Board of Education. In the event extra instructional days are needed, additional days will be added to the calendar in the following order: February 16, April 16, and April 15.

Plans that cannot be changed should not be made without taking this calendar into consideration

Please refer to the [District's website](#) for the NJ Department of Education's list of religious holidays permitting student absence from school.
