Notes: A. Half-days for parent/teacher conferences and evening parent conferences at the elementary school level are to be determined.
B. There will be three (3) half-days at the end of the elementary school year, unless full days are required by the Commissioner of Education to receive full state aid credit.
C. Four emergency closure days, including instances like snow days, power outages, or disasters that may hinder our ability to open a school or building, are integrated into the calendar. Pivoting to remote learning may be necessary should we close for five days or more.
