Geneva City School District 2026–27 Calendar

EMERGENCY MAKEUP DAYS: If additional days must be used in the event that emergencies cause excessive closing of school, the district will either use remote learning days (if permitted by SED) or the first days will be taken from spring recess: March 26, March 25, etc. In the event of long-term emergency closings, the superintendent and the board of education will determine which makeup days will be used from any scheduled recess periods or holidays. If less than two days are used, one day will be added to the Memorial Day recess. **Additionally, if, by the end of April, the elementary schools are on track to meet their 180/900 requirements, the superintendent, in collaboration with GTA, will apply up to two additional shortened elementary school sessions for the purposes of professional development in June.**

*During January Regents, Geneva High School will be closed for Regents and midterm exams; students should only report when they have a Regents or midterm exam. If Regents are canceled, classes will be held in accordance with the regular schedule.
