NPSD Snow Day Plan: 2026-2027

The district has 4 snow days built into our calendar. The use of these 4 days will not result in any change to the calendar.

If NPSD exceeds 4 snow days in this school year, two things will happen. First, the district will pull back days from the approved calendar as listed below in order to keep graduation and the last day of school as posted. Secondly, if NPSD cannot pull back enough days from the list below, the district will add additional school days beyond the last day of school.

Potential Pull Back Dates: These dates are currently days off for students in our approved calendar. If we exceed 4 snow days and have not passed the dates listed below, NPSD will then change the listed day back to a full day of school for students.

******The North Pocono School District will attempt to maintain the published graduation date of June 4, 2027 regardless of snow days and calendar changes.******
